

Niagara North Corporation No. 13 Carlton Carriage Homes

As we head into the Spring of 2020, we do so under extreme circumstances. The Board would like to first express their hopes that everyone is doing well and looking forward to brighter days ahead.

Together We Are Stronger Apart!

Help stop the spread of infection!

- Stay at home if you are feeling unwell
- Wash your hands using soap or hand sanitizer. Think of a fun song and wash your hands while you sing the chorus.
- Cover a cough or sneeze with a tissue or into your elbow.
- Keep your distance. Physical (social) distancing means maintaining six feet or two meters between individuals and you should avoid shaking hands and any close contact with people who are ill. Try creating your own signature moves when meeting someone; this can make someone smile and possibly make their day 😊

How Does this Affect our Community?

We are continuing to service the community, but for the time being, only emergency repairs will be completed. In order to maintain the health and safety of all residents, most projects will be postponed until further notice. If you do see a contractor on site, please practice the rules of physical distancing as they are putting their own health at risk to service the community.

Who Can I Call with Questions?

The Region has a dedicated Info-Line for questions regarding Novel Coronavirus (COVID-19). You can speak with a nurse Monday to Friday from 9:15am to 8:30pm and Saturday and Sunday from 9:15am to 4:15pm. The number is 905-688-8248, press 7, then press 2. Toll-free access is 1-888-505-6074.

How Can I Access Assistance Socially & Financially?

Niagara Region Public Health is a reliable source for information. Social support for food, shelters and other community outreach can be found at:

<https://www.niagararegion.ca/health/covid-19/social-support.aspx>

Financial support such as employment insurance, sick benefits and other emergency requests can be found at: <https://www.canada.ca/en/services/benefits/ei.html>

GENERAL COMMUNITY REMINDERS

Garbage and Recycling continues to be an issue.
All garbage and recycling bins **MUST NOT** be stored on the front porch of any unit. Please store your bins in your garage and out of sight.

All residents should take pride in the community! If you see garbage, pick it up! In an effort to reduce the amount of loose garbage throughout the complex, please secure your recyclables and only put out your garbage the morning of pick-up. Especially in inclement weather.

There is no **Poop Fairy** ...

Scoop your Poop
Grab it • Bag it • Toss it

We all love our pets! They are part of our lives and like children, we must take care of them. As a pet owner, you are responsible for your pet. This includes cleaning up their waste and keeping them controlled while out in the community.

Please "stoop and scoop" so that the community remains a healthy and clean place to live.

Visitor parking spaces are to be used by visitors only and not by residents. Visitors may not park more than 48 continuous hours without the prior approval of the Manager or Board of Directors. The Board or Manager shall determine at their sole discretion whether a vehicle belongs to a resident or a visitor.

New parking signs will be installed in the near future.

RIDDLE TIME!

- You find me in December, but not in any other month?
- What rock group consists of four famous men, but none of them sing?
- You measure my life in hours and I serve you by expiring. I'm quick when I'm thin and slow when I'm fat. The wind is my enemy. What am I?

Answers to Riddles: a) The letter "D" b) The faces on Mount Rushmore c) A candle

Board of Directors

Ted Oorsprong
President

Peter Teminski
